

# After the Liberation of Mosul

by Samir Yousif<sup>[1]</sup> (December 2016)

The “Islamic State” is nothing but a *paper tiger*. That is the summary of the one month war between the Iraqi Army and ISIL in the north of Iraq. The strength of the terrorists was demonstrated, with no mercy, against women and children and other civilians. The population in areas taken by ISIL, two years ago, were simply taken by surprise. more>>>
