

Alright Already, We Get The Picture – They Have What It Takes Every Which Way

Except, of course, in making their case and in negotiating agreements with the Arabs. But in the life-as-it-is-lived aspect, all of their advances, heralded and unheralded, in so many different areas, continue to astonish. Are you sure there are just seven million people in the country, and not 70 million?

[Here's the water story](#) –one more tale of Israeli success (there are so many).
