

Ambreen Sharif, Like Safiia Z. Jilani And So Many Others, Makes Up A Story Of An Attack

[Here is her report on the supposed attack made on her by a Texas pick-up-truck-driving young white man](#), the same report that led to a police investigation at the University of Texas at Arlington. Now she admits she made the whole thing up. Part of the “hate-crime” industry that the Barakat family and the Abu-Salha family, and CAIR, and the Muslim Students Association, are determined to invent, and then to whip up people to come to their defense, the defense of Muslims and of Islam.

Would you like just a handful more? There are dozens and dozens that come to mind. [Here](#) is the case of Safia Z. Jilani, of Oak Brook, Illinois.

[Here is a summary](#), by Robert Spencer, of the “Five Worst Anti-Islamic Hoaxes of 2014.”

[Here's the laconic outcome](#) of an investigation at Montclair State College in New Jersey, without the name of the student being made public.
