The American tourist died in the attack and was described as a 29-year-old man. His wife was one of five seriously injured.

The suspect, who was not immediately identified, was “neutralized,” authorities said.

It was the latest in a wave of Palestinian attacks that have killed 28 Israelis, mostly in shootings, stabbings and assaults with cars. At least 174 Palestinians were killed by Israeli fire during that time. Most were attackers and the rest were killed in clashes, Israel says.
