

And The Burning Of The Pilot, It Can't Be Repeated Often Enough, Has Nothing To Do With Islam

You have read Qur'an 9.14 [here](#). And the story of the setting on fire the chest of Kinana, a story told in Ibn Ishaq, [here](#).

Now look at 4.456, and the comment of Ibn Taymiyya, born in the mid-13th century, and possibly the most esteemed and prolific of all Muslim scholars, [here](#).

What does the Qur'an, what do the Hadith, what does the Sira of Ibn Ishaq, what do the statements of the esteemed Islamic scholar Ibn Taymiyya, what do all these things have to do with Islam? They have nothing to do with Islam.
