

9/11/13 – Are We Better Prepared and Safer than 12 Years Ago?

by Jerry Gordon (September 2013)

posted a related story out of Lahore, Pakistan that an Al Qaeda “data hub” with a similar command and control net connecting what the Obama Administration has taken to call the “core” of Al Qaeda with its “affiliates” The latter includes the alphabet soup of AQAP in Yemen, AQIM in the Maghreb, Boko Haram in Nigeria, Al Shabaab in Somalia and the latest Jihadi group in Syria, the Islamic State of Iraq and the Levant.

quoted Jocelyn saying, “It’s indisputable that [al Qaeda has] made more gains now than at any point in their history.”
