

Anti-Israelism is Anti-Semitism: an Interview with Manfred Gerstenfeld

by Jerry Gordon (September 2013)

Manfred Gerstenfeld, the former Chairman of the [Jerusalem Center for Public Affairs](#), is a noted author and commentator on European and World anti-Semitism. He recently published a book of interviews, [Demonizing Israel and the Jews](#). The book presents important themes on how prevalent anti-Semitism, anti-Israelism and what Gerstenfeld terms “humanitarian racism” are in the West today. See our review in the current edition of the
