

Caesarean Roundel

by David P. Gontar (November 2016)

Caesar Caesar

Basket weaver

Lady loved and sought to leave her

Went to Spain

And found the fever

In his seizure couldn't cleave her

Caesar Caesar

See, she flees, Sir!

O, seize her, Caesar!

Breath and blood unfreeze her

In the deep beleaguered

Find what first intrigued her

Again

David P. Gontar's latest book is [Hamlet Made Simple and Other Essays](#), New English Review Press, 2013.
