

# Fear, Inc.: The Obama Re-election Strategy for Muslim Votes

by **Jerry Gordon** (Sept. 2011)

“Fear, Inc, The Origins of Islamophobia Network in America.” A [Salon.com report](#) on CAP study gives you some idea of the agenda in the title, “New report maps the roots of Islamophobia: A new report traces the flow – and funding – of anti-Muslim ideas.”

“Losing Malmo” on the spreading ink blots of Islamic 'no-go areas' in Sweden and elsewhere in the EU. He also draws attention to the doctrine that has been developed by the Department of Homeland Security, deeply infiltrated by Muslim Brotherhood front representatives and their allies at the Southern Poverty Law Center:
