

More Inn Signs – Notable Ships and Those Who Sailed In Them

by Esmerelda Weatherwax (November 2009)

More pub signs.

The fifth and current ship of the name was launched in 1981 and is about a third of the size of her predecessor.

She now carries Chinook, Lynx, Apache and Sea King helicopters.

I am pretty certain that this sign left shows the current Ark Royal V. As you can see it is not a painted board but a metal work silhouette.

This is a BBC interview with her in 1987
