

Resurrecting Ibn Taimiyah's Fallacious Arguments About Christianity

by **Louis Palme** (November 2012)

back in the 13th Century, Islamic scholar Ibn Taimiyah wrote a voluminous refutation of Christian positions relative to Islam. A few years ago, that study was translated and reduced to a 406 page book, *Answering Those Who Altered the Religion of Jesus Christ*. The book is posted in PDF format on the Internet at: <http://ahlalhadeeth.wordpress.com/books/authors/ibn-taymiyyah/> This website calls Taimiyah's book one of the most important Islamic books in print today.
