

Book Review of Ibn Warraq: The Islam in Islamic Terrorism

by Fjordman

The world is witnessing a massive wave of Islamic terrorist attacks. Hardly a week goes by without such an attack taking place somewhere in the world. Sometimes, militant Muslims carry out several deadly atrocities in just one day.

Europe and the Western world are also increasingly being targeted by such deadly terror. Western politicians and media are quick to claim that the murderous attacks carried out by militant Muslims have nothing to do with Islam. The esteemed

author Ibn Warraq disproves this false claim in his new book
