

# Bremen on high alert after cache of sub-machine guns found following warnings of imminent terror attack

From the [the Local](#) – Police in Bremen said that the risk of a terrorist attack had been reduced in the city after they arrested two suspected arms dealers. The city remains under high alert, with special protection for the Jewish community.

*Isn't it funny how many Muslims generally scream for a boycott of Israeli goods but jihadists appreciate the high quality of Israeli made kit and IT?*
