

# Brexit to Brentrance: Why Britain Should Switch Membership from the EU for the EEU

by **James Buckham** (June 2016)

**2018:** The world's press gather in London to watch Prime Minister Boris Johnson ratify the United Kingdom's membership of the Eurasian Economic Union. Addressing Tigran Sargsyan, the Chairman of the Eurasian Commission, in Russian, Mr Johnson hailed this "promising, forward-looking new era" in British economic and diplomatic relations as the sixth and newest member of a trade bloc stretching from Vladivostok to Belfast.
