

Champs-Élysées Attacker May Have Been Plotting Attack at Eiffel Tower

From [Breitbart](#) in English

The man behind the failed Champs-Élysées attack on Monday was filmed loitering near the Eiffel Tower an hour before his failed attack, raising questions from police and security services.

Failed terror suspect Adam Lotfi Djaziri, who was shot by police Monday afternoon after ramming his car into a police vehicle, was caught on CCTV an hour before the attack near the Eiffel Tower. Police believe that Djaziri was tracking police vehicles, though there is speculation he planned to target the historic monument, *L'Express*
