

Combatus Interruptus: The Great Battle Of Tikrit

It's taking General Soleimani and the other Iranians quite a while, isn't it, to get the Shi'a militias going again? What are they waiting for, the air power of the Great Satan? Sorry, no can do.

How it's gone so far in Tikrit, the great battle for which started three weeks ago, but who's counting when you're having fun, [here](#).
