

Conrad Black joins Monica Crowley

On today's jam-packed show, Monica discusses black swan events – unforeseen occurrences that change the trajectory: she reminds us of the black swans of 2020 while taking apart today's events, from the collapse of the Key Bridge in Baltimore to the Feds' raid of P. Diddy to the latest on Trump lawfare. She also has a fascinating conversation with Lord Conrad Black about ancient civilizations from Greece to Rome and what they can teach us today.

Go forward to the 29:40 mark to listen to Lord Black:
