

Dabiq Issues Ransom Demand for Norwegian and Chinese Prisoners

The image displays two side-by-side ransom demand posters. Each poster features a central photograph of a man in a yellow prison jumpsuit, with smaller profile and back-view photos around him. The left poster is for a Norwegian prisoner, Ole Johan Grimsgaard-Ofstad, and the right poster is for a Chinese prisoner, Fan Jinghui. Both posters include personal details such as names, addresses, education, and birth information. At the bottom of each poster, there is a call to action for those who wish to pay a ransom for the prisoner's release, along with a Telegram contact number and a note that the offer is limited in time.
