

Dangerous Liaisons: RAND Corporation and the Herzl Institute

by **G. Murphy Donovan** (July 2015)

“We can be the vanguard of culture against barbarianism.” – Theodor Herzl

Some say that bad news comes in threes. If that folklore is true, Israel just hit a disaster trifecta: an impending bilateral agreement on the Persian atomic bomb program that excludes Israel, a malicious leak of classified data on Israel’s nuclear capabilities, and the announcement of a RAND Corporation/Herzl Institute [collaboration](#) to “rethink long-term strategy for Israel.” [more>>>](#)
