From [West Yorkshire Police](#)

H/T the indomitable Sammy Woodhouse. They are to appear at Bradford Magistrates Court tomorrow. The offences are indictable so they will be committed to the Crown Court. Where, in common with numerous other trials at the Crown Court centres in Yorkshire, a reporting restriction will be put on them and we the public will never hear what happens. We must not know what has been done to our girls lest we [right-wing thugs riot](#) and spoil summer for the great and good. Don't we know that only select groups are allowed on the streets for legitimate protest? I digress.
