

Ex-Egyptian Muslim Brotherhood President Mohamed Morsi Sentenced To Life In Prison...

This excellent post comes from [has sentenced former Egyptian President Mohamed Morsi](#) to life in prison while simultaneously passing down death sentences for six co-conspirators.

Those who followed the 2011 Islamic uprising in Egypt saw the Obama administration and Hillary Clinton support the Muslim Brotherhood and their candidate Mohamed Morsi.

President Obama was thrilled with the Morsi election and immediately called him with congratulations. Secretary of State Hillary Clinton flew to Cairo to express the administration sentiments and well wishes personally.

Unfortunately it did not take long before Morsi began deconstructing the secular social constructs, disbanding the Egyptian court system, and attempting to institute Sharia Law.

Thousands of Coptic Christians were slaughtered after Morsi took control and empowered the Muslim Brotherhood to attack his political enemies.

As president, Mohamed Morsi opened the Egyptian jails releasing hundreds of Muslim Brotherhood terrorists, [restore order](#) and bring peace.

The Egyptian army responded to the call of the citizenry and
