

EXCLUSIVE: Muslim Name Change Teacher Hid Terror-Linked Mega Mosque from Potential Employer

From [BBC](#), BuzzFeed, and other news outlets to report that after changing his name on his CV/resume, he finally started receiving job offers.

But Mahmood's name may not have been the reason that he was rejected.

He also removed a reference to the Islamic Institute of Education, otherwise known as the Markazi Masjid, a mega mosque in the north of England, where he studied for years. *This is the Tablighi Jamaat's European headquarters in [HQ in Newham](#).*
