

# "Extremely Kind, Extremely Gentle"

[Here](#).

He specialized in killing the foreigners. But to make sure that they would remain calm, until the very end, he would prepare them for their close-up over and over again, assuring them it was only a video which would be used to elicit concessions from their countries of origin, and that no harm would come to them, and they should just relax, and not worry, and they did what he said – just the way, all over the Western world, we are assured by Muslims that they, those Muslims, will handle the “handful of extremists” who “have nothing to do with Islam” and who, in any case, are perfectly nice people until the security services start to look at them with suspicion and other non-Muslims do not give Muslims the trust and respect that they so richly deserve.
