

Facebook Deletes Fake CCP Propaganda; China's Sputnik Moment More Like the Cuban Missile Crisis

I gave an extensive video interview to NTD/Epoch Times on China.

China's all-out information warfare is here. And it was ramped up even more during the initial Covid pandemic. A fake swiss scientist created by China's digital propaganda team is being used for disinformation. And Facebook is deleting it. Plus, China's missile threat is being hailed as the new "Sputnik Moment". Today's expert interview will evaluate the situation of China's new hypersonic weapons to see how much preparation we should make. And where the US needs to go against the looming threat from China.
