

Fitzgerald: Fatuity, Waste, And Danger [On The Iraq War]

A re-posting from May 2, 2006, as a reminder, still relevant, of all the idiocies we have had and will have to endure, until the goal of dividing, demoralizing, and weakening the Camp of Islam is embraced. That requires comprehension of what Believers believe, and how the attitudes and atmospherics of societies and states suffused with Islam, originating in the immutable texts of Islam, affect even the least observant of Muslims.

Fitzgerald: Fatuity, waste, and danger

May 2, 2006 By [Hugh Fitzgerald](#)

Why it is so difficult, if not impossible, to find Iraqi soldiers willing to cooperate with American troops:

The Bandar Beacon (Washington Post) has recently published an extraordinarily revealing article: “
