[Here.](#)

For more detail, about campaigns or killings that Muhammad ordered, and those in which he directly took part (“Ghazwat”), you can also consult Al-Waqidi’s *Kitab al-Tarikh wa al-Maghazi*. (which may be kundera-ed as “The Book of Slaughter and Bloodletting”). Muslim apologists would prefer that you not find out too much. It would spoil their day. Go ahead – read more. Spoil it.
