

# Former Mossad Head Yossi Cohen: The Man With 'Hundreds of Passports'

by Hugh Fitzgerald

**Yossi Cohen**, the just-retired head of Mossad, has many acts of supreme ingenuity and daring to his credit. He recently gave a television interview in which he dilated upon a few of his most recent accomplishments involving Iran's nuclear project. The interview is discussed here: "In stunning, revelatory interview, ex-Mossad chief warns Iran, defends Netanyahu,"
