

George Soros is Trying to Undo Brexit

by Sally Ross

Someone somewhere once described globalism as an 'outright war waged against the ideal of sovereign peoples and nations'. This report from [illegally bankrolling](#) an effort to change Ireland's constitution to allow abortion. In that instance, Soros funneled \$162,000 through OSF to left-wing organization Amnesty International for its pro-abortion campaign in Ireland.

Soros has also spent millions of dollars across Europe, trying to defeat populist candidates and movements that pose a threat to his globalist agenda.
