

Hamas provides the lies and damned lies, Israel provides the statistics proving it didn't hit civilians

by Hugh Fitzgerald

Hamas has provided the lies and damned lies. Israel provides the statistics. The Meir Amit Intelligence and Information Center (ITIC) recently published its study – its “statistics” – of the Palestinian casualties during the first two days of the recent conflict. A report on its findings is here: “In First Two Days of Conflict, Over 70% of Gaza Casualties Caused by Israeli Strikes Were Combatants: Analysis,” by Sharon Wrobel, [Jihad Watch](#).
