

Hezbollah MP Praises US-Iran Nuclear Deal

And from Hezbollah's point of view, what's not to like?

Looking every inch the member of the 'Ndrangheta, the Italian criminal group with which Hezbollah has so much in common, especially in the ways both Hezbollah and the 'Ndrangheta conduct their fundraising campaigns, MP Sahili explains his delight at the deal, a "once-in-the-lifetime" opportunity, according to Barack Obama, [here](#).
