

# **In Tunisia, 7 Foreign Tourists Killed At Once, Another 10 Taken Hostage Then Murdered**

The attacks will not end. How can they? As long as “Tunisia is not ruled by Islam” the attacks will continue.

Those who join, those who support, those who approve of, those who defend or collaborate with, the Islamic State – there is no end to them, they will not disappear. This particular Islamic State now getting so much coverage may be crushed, but so what? The idea, the ideal, the dream of the Caliphate – “the dream shall never die.”
