## Introducing Michael Rectenwald's Podcast: REKT

**Episode 1: John Klyczek** joins Michael on the first episode of REKT. John (jakE) is the author of School World Order: The Technocratic Globalization of Corporatized Education. Topics include the behaviorist, collectivist, and eugenicist roots of public (and state-sanctioned private) education, the globalist organizations behind the stakeholder capitalism regime, and the making of "global citizens" through indoctrination and technocratic surveillance and control systems.
