

ISIS arm of Uighur fighters vow blood will 'flow in rivers' in China

From [SunOnline](#). "Increasing numbers of the Uighur are turning to ISIS for support. So you could say China's repressive regime is driving the Uighur into the arms of the jihadis. Saying this, the ISIS message of global jihad is contrary to the Uighur group's nationalist cause."

The Professor of Anthropology highlighted the increasing number of attacks in China, saying: "There's terrorism in China, no doubt about it."
