

ISIS Supporters Rush To Celebrate NYC Explosion

Gilad Shiloach writes in [in New York's Chelsea](#) neighborhood that injured at least 29 people, even as no group or individual has been arrested or claimed responsibility.

“The lions of the Caliphate roar in New York, we cause you pain inside your house, the carrier of the Cross,” [tweeted](#) with the Arabic hashtag [tweeted](#) about “good tidings that keep coming” from New York, and one [#ExplosionManhattanNewYork](#) was popular among other Arab users, mostly from Saudi Arabia, who don't seem to be affiliated with terror groups but still criticized America, Vocativ found. One user [wrote](#): “This is all your doing Mister Obama, you are the reason for the spread of ISIS in the region. I wish you would listen to the words of King Abdallah and his warning for the Arabs from ISIS.”

Others raised concerns, [and](#) that ‘the dog Trump will blame the Muslims in order to win the elections, an expected scenario”.
