

# Islamophobiacs: the Unwitting Abettors of Islamo-Supremacism

by Richard Butrick (May 2016)

Thomas Sowell, one of the most astute and incisive socio-economic [analysts](#) of our time, [calls them](#) “stop think” words.

If you don't stop and think, it doesn't matter whether you are a genius or a moron. Words that stop people from thinking reduce even smart people to the same level as morons. [more>>>](#)
