

Israel at 68 – Growth, Progress, Prosperity and Defiance

by Norman Berdichevsky (June 2016)

The 68th anniversary celebrations of Israel's independence were emotional and impressive for all those like myself who first visited Israel more than 50 years ago and found a Spartan community then, lacking in many of the conveniences that Americans take for granted as essential. At the time, I believe Jerusalem had only one traffic light. [more>>>](#)
