

Israel's Defense Minister Gantz Offers Humanitarian Aid to Lebanon, US and Europeans Do Not

by Hugh Fitzgerald

Lebanon is on the edge of complete economic collapse, and so far one country has offered it aid. Not its fellow Arab states. Not Iran, that provides aid not to Lebanon, but only to Hezbollah, the terror group that has helped bring Lebanon to its present pass. Not the Europeans nor the Americans. That one country is Israel. That story is here: "Defense Minister Gantz sends proposal for humanitarian aid to Lebanon," by Anna Ahronheim and Tzvi Joffre, [Jihad Watch](#).
