

Mahmoud Abbas Prepares List of Demands On Israel If Negotiations Are to Resume

by Hugh Fitzgerald

Mahmoud Abbas has prepared a list of 15 demands that, the PA claims, must be understood as a prerequisite to negotiations with Israel. He apparently believes the Biden administration will be able to pressure Israel to accept, so eager is Washington to restart the negotiations between the Palestinian Authority and Israel, in order to revive the moribund peace process. I think he's very wrong.

Here's the entire list of demands as reported by
