

Manchester attack victim's father tells inquiry: 'Enough is enough'

From the [Express](#)

The father of the youngest victim of the [first security guard appraised was himself a Muslim](#).

The real mistake is that the authorities constantly play down the fifth column of violent jihadists who walk among us, and the hundreds of thousands of non violent jihadists, islamists, rape gang groomers, taqiyya merchants and whatever who are the sea within which they safely swim.
