

Mullah Krekar Arrested Again, For Praising The Charlie- Hebdo Killers

[Here.](#)

Mullah Krekar is a Kurd, a Kurd who wants to out-Arab the Arabs in the ferocity of his Islam. He managed to end up in Norway. He needs to be sent back to his own people, the Kurds, who have been learning, over the years, a lot about Islam as a vehicle for Arab – murderous in their case – supremacism. They will treat Mullah Krekar more appropriately than the Norwegians ever could.
