

# Natacha Polony Praises Liberation's Joffrin For His "Defense Et Illustration Du Latin"

An anti-Latin leveller – the Minister of Education Najaud-Belkacem, wishes to remove it from the French curriculum. It's only for the "elite" and the "elite" must be put in their place.

Not everyone agrees, not even at the celebratedly left-wing *Liberation*.

Natacha Polony on Joffrin's editorial published in *Liberation*, [here](#).
