

# NATO Chief: So this is not a fight between the Islamic world and the Western world

Let's see, so our enemy is extremist, radical, criminal, Islamist, totally uncool Muslims, then? [Jihad Watch](#):

NATO chief Jens Stoltenberg said Saturday the deadly attacks in Paris highlight a fight between extremists and supporters of democratic values rather than one between the Islamic and western worlds.

(...)

"So this is not a fight between the Islamic world and the western world. This is a fight between extremists, criminals and people who believe in the fundamental values of freedom and the respect for human rights," he said.
