

NER Turns Ten

Today is the ten year anniversary for our magazine and the five year anniversary for our book publishing arm, NER Press. In that time we have published 121 monthly issues, 51,292 *Iconoclast* blog posts and 20 books. We hope we have added to and elevated the discussion on religion, culture and politics. We hope we have enriched the lives of our readers and stimulated our contributors to develop and enlarge their best work.

With gratitude for our contributors and gratitude to our readers, we will continue publishing the magazine, blog and books far into the future. There is no doubt we have influenced the intellectual atmosphere for the better.

With God's help, the next ten years will be just as successful. The best is yet to come.
