

New English Review Press Announces Publication of Neither Trumpets nor Violins

New English Review Press is thrilled to announce the publication of our forty-first title, *Neither Trumpets nor Violins* by Theodore Dalrymple, Samuel Hux and Kenneth Francis.

New English Review Press once again takes on the great ideas of our time in this sequel to *The Terror of Existence* by Theodore Dalrymple and Kenneth Francis. This volume adds another interesting mind to the mix: the philosopher Samuel Hux. Together these thinkers take on some of the most prominent philosophers influencing our age, pointing out strengths and weaknesses in their works, worldviews, and characters. Nietzsche, Wittgenstein, Sartre, Machiavelli, Plato, Schopenhauer, John Stuart Mill and Bertrand Russell are covered as are the less well-known Trumbull Stickney and Jonathan Edwards.

If you liked *The Terror of Existence*, you'll love *Neither Trumpets Nor Violins*. It's food for the mind.

Release date: April 11, 2022.
