

Note found in truck claims Manhattan attack done for ISIS; ISIS supporters gloat on line; New York Muslims prepare for backlash.

From [NBC News](#) and the [shouted "Allahu Akbar"](#) just moments after getting out of his vehicle.

Pro-Islamic State channels have posted commemorative posters online – which feature photographs that were taken at the scene and edited images of the Statue of Liberty being blown up.

Somebody rented a truck and drov...
Sounds like one of our brothers. six
people killed and multiple injuries.
Allahu Akbar

If it was my truck 5:24 PM

Abdullah Sami

It would have been on a much bigger
Street

If it was my truck
Your truck would have caused alot
more damage akhi
