

Now they're saying "it wasn't a lie"

By William Corden

Here's a line or two of lyrics from Emmylou Harris's "Jerusalem Tomorrow"

it's a fabulous song and, unlike Biden, has redemption in the final verse.

If I had the money I'd order up a tombstone for the man and have this chiseled in as an epitaph.

Man, you should have seen me way back then

I could tell a tale, I could make it spin

I could tell you black was white

I could tell you day was night

Not only that, I could tell you why

Back then, I could really tell a lie

Well, I'd hire a kid to say that he was lame

Then I'd touch him and I'd make him walk again

Then I'd pull some magic trick

I'd pretend to heal the sick

I was takin' everything they had to give

It wasn't all that bad a way to live
