

Phyllis Chesler to Hold Webinar at the Middle East Forum

Topic **“Honor Killings – A Family Conspiracy” with Phyllis Chesler**

Description

Honor killings, the cold-blooded murder of mostly girls and women by relatives for allegedly dishonoring their families, have arrived in the West. Some claim that anti-racism, pluralism, and multi-cultural demand we tolerate such crimes, but that is a deeply mistaken belief. We'll review the sources of this behavior and how to combat it.
