

President Winfrey?

by Gary Fouse

I did not watch the Golden Globe awards show, thus, I did not catch [Oprah Winfrey's speech](#). Only today have I taken the time to watch it. Without nit-picking the content, I think we can all agree it was a powerful speech. She spoke without notes or a teleprompter and showed that she is a gifted public speaker.

I find it somewhat-though not altogether- curious that the left is rising up and declaring Winfrey to be the 2020 Democrat presidential candidate. One
