

# Pro-Palestine protesters yell 'f\*\*\* Jews' in Finchley Road. Update. 4 arrests confirmed

*This is vile. But what does one expect? Update from TV news – police have made four arrests.* [Hendon and Finchley Times](#)

A convoy of cars draped in Palestinian flags with yells of "f\*\*\* the Jews" were filmed travelling through north London today.

A video shared on social media shows the cars travelling along the Hampstead area of Finchley Road today (May 16), with one man yelling through a loudspeaker. *Very well known Jewish area.*

*The [Prime Minister tweeted](#) "There is no place for antisemitism in our society. Ahead of Shavuot, I stand with Britain's Jews who should not have to endure the type of shameful racism we have seen today."*

[Metropolitan Police](#) have identified one of the cars "and are making enquiries to locate the occupants"

*Nobody will admit to being in any of the cars. They will all say "it was my brother/cousin who looks like me (ringing is SO common in that ethnic group). Unable to pin the language down on any individual the police will hope the fuss dies down.*

*Another motorcade is planned for this evening. An outfit called "roadblockerz" seems to be involved. Hopefully the police being now aware will stop it. TV news says that some of the cars have been traced to Bradford and others to Slough, both towns with large Muslim communities. They can and should be stopped on the M1 north and the M4 west tonight, if not*

*apprehended in North London.*

*I keep seeing calls to a big car rally for Palestine in Edmonton. Edmonton is an area of North London, not particularly Jewish, to the west of Golders Green and Finchley, and north of another Jewish district Stamford Hill. Then I realised; I'm thinking of the original Edmonton. This is the Canadian Edmonton, a much larger town.*
