

# Selected X/twitter pieces on the cognitive front

By Phyllis Chesler

Dear Friends and Readers:

I have been working on the cognitive front lines and also working on a new book and so neglected to send you any of my X/twitter "haikus." Soon, people will be talking in coded abbreviations and the last semblance of literacy will be gone—and that's even before the corporate control of AI and wokeness takes us all down. Anyway, thought you might be cheered, perhaps even inspired by my continuing righteous rage.

All Best,

Chag Shavuot Sameach

No one demands that [#Ukraine](#) end its war of aggression/self-defense against [#Russia](#). But everyone demands that [#Israel](#), under existential seige by [#Iran](#) and its proxies, do so. [#Biden](#) delivers weapons to Ukraine but heinously withholds weapons from Israel. The world's [#European](#) [#Jew](#)-hatred is now being spearheaded by [#Islamists](#) with strong support from North and South America, Europe, Asia, and [#Africa](#). Israel will win and in so doing may save the world from Iran, Russia, [#China](#), and [#Turkey](#)—our contemporary [#AxisofEvil](#). If, God forbid, it loses—we are all doomed.

God bless the [#IDF](#)! Today, the [#Yamam](#) unit rescued four Israeli hostages alive which proves that [#Israel](#) is succeeding despite being condemned and hobbled by the entire world. High price paid: Yamam's senior commander died of his injuries. At

first, the [#NYT](#) headlined it: “Israel SAID that they rescued 4 hostages—even as the Times of London headlined it “Israel RESCUED 4 hostages.” The NYT later changed their headline online. Incredible how they disbelieve everything that Israeli officials say—yet believe every lie, even when proven as such, that [#Hammas](#) or the [#UN](#) allege.

The [#NYT=#AlJazeera](#)’s outpost in America. Who can silence their [#BigLies](#), their monstrously misleading headlines? Today, their front page lead story is titled “Israelis Attack Civilian Shelter and Kill Dozens.” NO. The [#IDF](#) conducted a surgically targeted strike on known [#Hammas](#) terrorists—and found them where they usually are, surrounded by Gazan [#humanshields](#) in an [#UNRWA](#) building. If not in a UN building, Hamas shelters in mosques, hospitals. This is all well known by now—but apparently, the NYT’s does not know it. Today, the hardcopy of the NYT feature 5 articles and 13 photos against Israel. Sympathy for Gazans only, none for Israelis, multiple photos of Gazans captured by Israel—but no photos of Israelis being held hostage, systematically tortured, and murdered by Hamas; no photos of internally displaced Israelis; no “context” about the merely symbolic but inflammatory actions being taken by the ICC, the ICJ, the UN, by European countries, and by actor [#George](#) Clooney (!), actions which have no real consequences and which do not help a single Gazan, Arab, Jew, Israeli and which do not call for the immediate return of Israeli hostages.

The [#Pravda](#)-Palestine [#NYT](#) should be sued for incitement to [#genocide](#). Today 5/10, they feature 10 (TEN) articles which criticize [#Israel](#) and sympathize with “displaced #”Palestinians” and 15 (FIFTEEN) photos including a full page ad taken by [#Reporters](#) Without Borders which depicts a man kissing a burial shroud labelled Palestine. This is precisely the kind of full-on, daily [#indoctrination](#) that has led to [#Biden](#)’s decision to halt essential weaponry to Israel, and to his considering granting asylum to [#Gazans](#)—the very people whom Egypt and Jordan refuse entry or even temporary safe shelter. Israel allowed thousands of Gazans in to work—and they participated in [#10/7](#) and in many other terrorist operations. It has also supported, perhaps led to, the hundreds of campus Jew hating festivals and to the street demonstrations which blocked bridges, tunnels, traffic, and normal civilian life. Anti-Jewish chants at soccer games the

recent booing of Israel's contender in the [#Eurovision](#) contest.

[#Perversion](#) of Reality [#Terrorism](#) and [#resistance](#) are being defined strangely. A [#Saudi](#) woman was sentenced to jail for eleven years as a “terrorist” for arguing that a woman should be able to leave her home without a male minder. To Islamists on American campuses “resistance” =[#raping](#), torturing, and murdering Israeli women and men. [#Liberation](#) and freedom=[#Big](#) Brother tyranny. When language is used to distort and reverse reality, we are lost. And, so we are.

NYT pile-on against [#Israel](#) continues. 4/30/24 there are 9 first section articles (3 on the frontpage) plus 6 letters about Israel; only 1 article about war raging in [#Ukraine](#); 1 article about the impending [#genocide](#) in [#Darfur](#) by the Rapid Support Forces formerly aka the ethnic Arab [#Janjaweed](#) who gang-raped and slaughtered many black African Christians. The Times does not identify them as Muslims.

The [#antiIsrael](#) pile-on is demonic—world bodies, funded campus agitators, the mass media—just today (4/27), the [#NYT](#) hardcopy has ten anti-Israel [#pro](#)-Palestine articles (2 on the frontpage) and 19—NINETEEN—photographs of grieving or hospitalized or displaced Palestinians which together amount to six full pages of massive sympathy for only Palestinians.

(FU-K the Ukrainians) who rate only one or two small articles). Only one of the 19 photos, a very small one, shows placards with [#Israeli](#) [#hostage](#) faces at a demonstration in Tel Aviv. Missing entirely: Israelis dead, hospitalized, maimed, displaced, hospitalized, traumatized—no where to be found not in this issue and only rarely in any other issue. Rarely mentioned: [# Hamas](#)'s refusal to allow the [#Red](#) Cross to visit the Israeli hostages even as the world demands that they be allowed to visit Hamas's captured terrorists; the [#food](#) Israel has been getting into [#Gaza](#); the extraordinarily low rate of Gazan civilian casualties in an [#asymmetrical](#) war in which Hamas uses civilians as human shields. If this kind of coverage only happened once a week—dayenu. But this happens at least five or six times a week, every week, in just the NYT ever since Hamas attacked Israel on [#10/7](#). Imagine the indoctrination.
